

## ARTURO J. SAVAL PÉREZ

### INDEPENDENT MEMBER

Mr. Saval is the President of Nexus Capital and co-founder of the Funds operated by Nexus, one of the leading private equity firms in Mexico. He has more than 35 years of experience in private equity, investment banking and commercial banking, having participated in many mergers and acquisitions, private and public debt, and equity placements, as well as multiple financial advisory projects.

Prior to partnering with Nexus Capital in 1998, he held various management positions at Grupo Santander and previously at Grupo GBM, Interacciones (now Banorte) and Serfín (now Santander). Arturo held positions in international, business, commercial and investment banking. He has been a member of the board and committees in several institutions and investment companies, as well as in various companies in which Nexus Capital funds were investors.

Arturo is currently Chairman of the Board of Nexus Capital and its Funds in Mexico and Chairman of the Board of Nexus Iberia, a fund that operates in Spain and Portugal. Likewise, he is a Member of the Board at Fondo de Transporte México (BMV: TRAXION), chairing its Corporate Practices Committee, and Board Member at Grupo Hotelero Santa Fe (BMV: HOTEL), where he also chairs the Corporate Practices Committee. He is also a Member of the Board at Cox Energy America (BIVA: COXA), Agile Thought (NASDAQ: AGIL), Modatelas, Pumping Team Holding, and Bolsa Institucional de Valores, BIVA. He is Chairman of the Board of QSR TH and Fine & Casual Dining (formerly Taco Holding), and at Inmuno Holding. He is also a Member of the Board at Ignia, Venture Capital Fund, and Redwood Ventures. He is a member of the Metropolitan Council of Grupo Financiero Banorte and the Communication Council and the Green Finance Advisory Council, and a member of the Executive Committee of the 30% Club. He is also a Member of the Services Chapter of the US-Mexico Dialogue, a binational group of Private Sector Lobbying.

He was a member of the Board at the Mexican Association of Private Equity (AMEXCAP), where he also served as President and currently belongs to the Association's Executive. Arturo also served as a member of the Board at the Latin American Association of Private Equity (LAVCA).

He studied Industrial Engineering at the Universidad Iberoamericana and completed various specialization programs. He frequently participates in financial sector forums and in various academic institutions.
